CALIDAD TOTAL Comprometidos con la calidad presente en todos nuestros procesos.
TOTAL QUALITY Committed to quality in all our processes

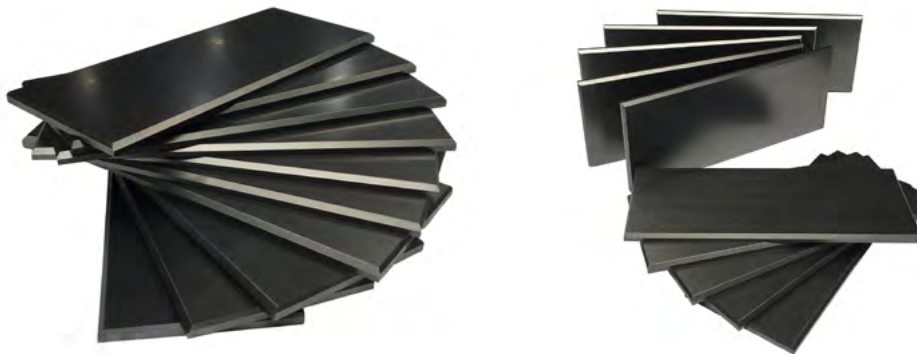

FABRICACIÓN de escobillas y grafitos. Fabricado en España
MANUFACTURE of brushes and graphite. Made in Spain.

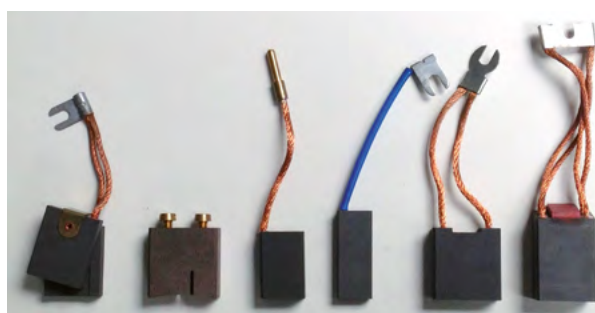

PALETAS CARBON VANES

Nuestra experiencia nos permite fabricar cualquier paleta de grafito impregnada en resinas para todo tipo de bombas de vacío y compresores. Stock permanente y modelos a medida.
Our experience allows us to manufacture any carbon vanes impregnated in resins for all types of vacuum pumps and compressors. Permanent stock and custom models.

INDUSTRIAL INDUSTRY

Disponemos de todas las calidades de carbón necesarias (electrográficas, metalográficas, baquelizadas, etc.) Para dar respuestas a las características de cualquier motor. Motores universales, turbo alternadores, motores de baja-media-alta potencia, motores de corriente alterna, motores de corriente continua, ... A medida.
Wide range of carbon grades (electrographite, metal graphite, resin bonded grades...) to respond to the motor features. Universal engines, turbo-generators, low-medium-high power engines, alternating current engines, direct current engines, ... Custom made.
